The Bible tells us about Jesus.          At Christmas we celebrate Jesus' birth.          Mary and Joseph loved and cared for Baby Jesus.          We can share the joy of Christmas by helping others.          Christmas is a special time for families and friends to be together.</p> <p><b>A Message for Mary</b>  <b>The Shepherds</b>  <b>Wise Men From the East</b>  <b>Jesus is Blessed</b></p>	<p><b><u>JANUARY</u></b>  <b>Themes:</b>          I Can Discover Winter (December 30/6)          Nighttime Can Be Fun (13)          I Can Be Healthy (20/27)  <b>Color:</b> White  <b>Numbers:</b> 1-7  <b>Shape:</b> Rectangle  <b>Concepts:</b>          We wear warmer clothes in the winter.          Winter is a time of rest for some animals.          Winter is a time of rest for trees and plants.          We can have fun during winter time.          God planned for the winter season.          God gave me a body that is growing and changing.          Eating nutritious food helps keep my body healthy.          Rest and exercise help keep my body healthy.          I can help keep my teeth healthy.          Regular checkups at the doctor help keep me healthy.          God makes nighttime.          Nighttime is dark and often we can see the stars and moon.          Nighttime is usually a time to sleep.          Hearing bedtime stories and lullabies makes going to bed more fun.</p> <p><b>The Escape to Egypt</b>  <b>Young Jesus in The Temple</b>  <b>Jesus and John the Baptist</b>  <b>The Lost Sheep</b>  <b>The Real Neighbor</b></p>
<p><b><u>FEBRUARY</u></b>  <b>Themes:</b>          Farmers Help Me (3)          I Can Express My Feelings (10/17)          I Can Go Many Places (24)  <b>Color:</b> Pink  <b>Numbers:</b> 1-8  <b>Shape:</b> Heart  <b>Concepts:</b>          A farm is a place where animals live and plants grow.          Farmers take care of plants and animals.          We get food from the plants and animals on the farm.          Everyone has feelings.          We communicate our feelings in various ways.          Feelings show how we feel.          Feelings change.          Valentine's Day is an opportunity for communicating our feelings.          I can talk to God.          Transportation is how people and things move from one place to another.          Airplanes fly in the sky.          Trains run on railroad tracks.          Cars, trucks, buses, campers and vans are driven on roads.          Boats and ships float in water.          People who ride in a transportation vehicle are called passengers.</p> <p><b>The Temptation of Jesus</b>  <b>The Kingdom of Heaven</b>  <b>A Miracle in Jericho</b>  <b>TwelveMen</b>  <b>Intro to Lent</b></p>	<p><b><u>MARCH</u></b>  <b>Themes:</b>          Pets Need Care / Animals Live in Homes Too (2/9)          I Can Discover Spring (16/23)  <b>Color:</b> Blue  <b>Numbers:</b> 1-9  <b>Shapes:</b> Diamond  <b>Concepts:</b>          Pets are animals that people keep for fun.          The most common pets are dogs, cats, parakeets, fish, gerbils and hamsters.          The kind of pet you have depends on where you live: in an apartment, in a town or city, or in the country.          Pets need special care and attention.          Doctors who care for pets are called veterinarians.          God planned for all kinds of animals.          Animals are an important part of God's plan for the world.          Wild animals live in jungles and forests.          Wild animals are not safe to play with.          A zoo is a place where people can safely see wild animals.          Some zoo animals live in areas that look like their natural homes.          People work in a zoo to keep the animals safe and healthy.          The weather is usually warm in spring.          Many birds and insects are born in spring.          Flowers, trees, and plants begin to grow in spring.          Various colors appear in nature in springtime.          God planned for spring to be a time of change in our world.</p> <p><b>The Beatitudes</b>  <b>A Very Important Story</b>  <b>The Lord's Prayer</b>  <b>The Glory of Jesus</b></p>
